Curriculum Vitae

Personal Information

Full Name: Elyas Tahere

Contact: 0093786028713

Email: ahmadelyas600@gmail.com

Address: Nangarhar, Afghanistan

Career Objective

I aspire to become a highly skilled web developer, like Shraddha Kapoor, and offer innovative solutions in technology. My goal is to serve people by solving technological problems and to achieve excellence in web development. I also hope to pursue a master degree in a foreign country, followed by a PhD in technology, with a focus on web development. Ultimately, I aim to lead a successful and fulfilling life while making a positive impact on society.
